

LYME REGIS & CHARMOUTH GREEN PARTY NEWS

BELINDA BAWDEN

LARGE MAJORITY RETURNED BELINDA TO DORSET COUNCIL

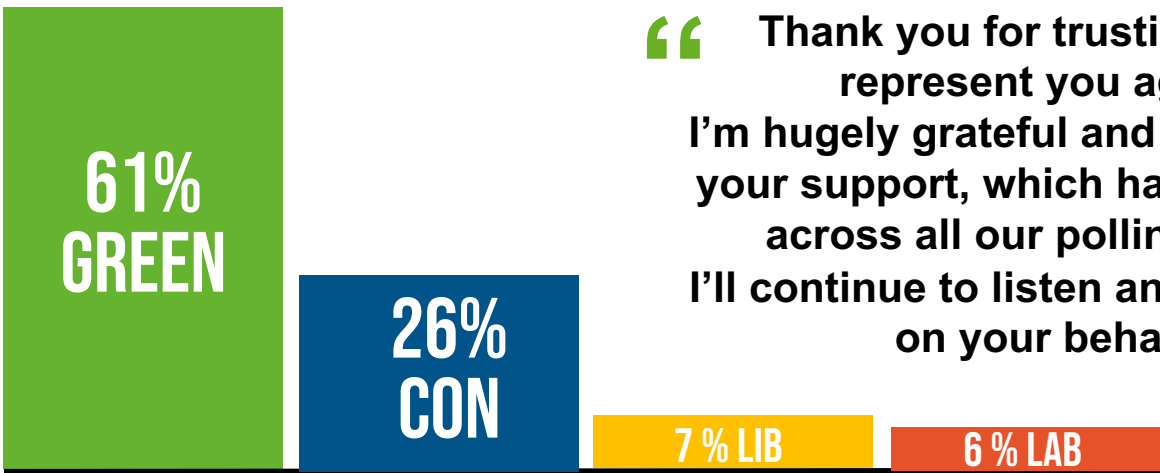

Helping keep our beaches clean with town councillor Caroline Aldridge and new MP Edward Morello

Thank-you to everyone who voted for Belinda Bawden from the Green Party at the Dorset Council election on 2nd May. She's been busy since the elections working for local residents.

We have knocked on every voters' door and listened to your concerns about the loss of our services, speeding, parking and sewage in our rivers and beaches. Working collaboratively with the new administration in Dorset Council means we have more influence to get our problems resolved.

A newly elected Labour government with strong LibDem representation in the South West will also offer more opportunities for real hope and real change.

“ Thank you for trusting me to represent you again. I'm hugely grateful and humbled by your support, which has increased across all our polling areas. I'll continue to listen and work hard on your behalf.

”

BELINDA BAWDEN: WORKING TO GET THINGS DONE IN LYME & CHARMOUTH

WORKING TOGETHER

The excellent progress being made to clean our rivers and beaches by the Partnership Alliance of local councils, water companies, Environment Agency and community volunteers shows how effective collaborative working can be.

Let's work together more on improving our green spaces and footpath access; managing our waste, especially ahead of new commercial waste regulations in 2025; upgrading our housing; and providing more opportunities for children and young people.

The beautiful wildflower plantings in Lyme Regis have been well received by local residents, visitors and wildlife!

GREENER HOMES QR CODE

GREENER HOMES

Belinda is encouraging you to visit some of the Greener Homes which are opening in Lyme Regis on September 21st. You can get tips on energy saving and low carbon technologies like solar panels and heat pumps from people who've had them installed. There are also low cost examples of growing your own, gardening for wildlife and water saving. You can book your visit by following the QR code here.

Community Councillor Surgeries Charmouth
